Festive Flavors: Crumbl Cookie Ft. Jimmy Fallon

This week, Crumbl Cookie brings holiday cheer with festive flavors in a special collaboration with Jimmy Fallon! Starting off strong with Jimmy Fallon's "Holiday Seasoning" Candy Cane Brownie: a festive treat that captures the spirit of the upcoming holiday season. Next up is the Caramel Toffee Butter Cake: a warm, gooey cake baked with unforgettable crunchy crystals. Also on this week's festive lineup is the Cookies & Cream Milkshake featuring Oreo: A cookies and cream milkshake-inspired cookie bursting with OREO® cookie bits from the base to the creamy vanilla buttercream and finished with a Mini Oreo cookie on top. The fourth cookie of the week is a Holiday Birthday Cake: a delicious cake batter cookie topped with creamy cream cheese frosting and festive sprinkles. Now, diving into our next flavor of the week, the Original Milk Chocolate Chip Cookie: a thick, soft treat packed with milk chocolate chips. Also available this week, we have the irresistible Strawberry Crinkle: a warm, cakey strawberry cake rolled in crunchy sugar crystals and topped with fluffy powdered sugar. As we come to a close on this week's roundup, we can't forget about the delectable Lemon Bar: a zesty lemon cookie topped with zingy lemon bar toppings and dusted with powdered sugar. Last, but certainly not least, is the Honey Bun sweet treat: a rich cinnamon cookie that is deliciously swirled and enrobed in a honey butter glaze. Don't miss out on these festive flavors featured this week at Crumbl Cookie with Jimmy Fallon—grab them before they're gone!
