

Chrome heart is the new achievement

In the early and late 90s everybody wanted the designer brands Gucci, Louis Vuitton, and Prada. All these well-known brands Were an achievement for this era of time and a little bit beyond. People would strive to get to a point where they could wear these designer brands but it seems like today famous and wealthy people are Chasing after Chrome Hearts instead of the typical designer brands. With Chrome Heart the patent silver cross design has caught the eye of many people who desire to wear it. If it's in a dress, their signature eyewear the designers come up with is the most complex, jewelry and clothing, which makes them unique
