The Cinnamon Squares Are Back! I Repeat The Cinnamon Squares Are Back!

Is it throwback season? I think so! Cookie Crumbl is having major comebacks with their delicious and over-the-top cookies. And many people are excited to taste the delicious goodness again, including myself. To start off they have Red Velvet White Chip (My all time favorite); A decadent red velvet cookie mixed with creamy white chips. Second we have Maple Cream Sandwich; Two luscious vanilla shortbread cookies sandwiching velvety maple cream cheese frosting with a decorative maple leaf on top. Thirdly, we have Birthday Cake ft. OREO; A thick cookie made with OREO cookie pieces, covered in cake batter cream cheese frosting and topped with more OREO cookie pieces and rainbow sprinkles. And the fourth choice is Peanut Butter Chocolate Chip; a signature warm peanut butter cookie studded and topped with melty milk chocolate chips and peanut butter-flavored chips. And finally everyone's favorite, Cinnamon Square; A moist, fluffy cinnamon square marbled with brown sugar cinnamon butter and smothered with a light vanilla cream cheese frosting. Look for your nearest Cookie Crumbl and get these delicious cookies before they run out and you miss out on the sweetness of each one!
