Oklahoma continues to hold the No. 1 spot as they swept No. 24 Kansas this weekend. The Sooners centerfield star, Jayda Coleman earns both National and Big 12 player of the week. Dominican softball sadly only takes one of three games on their road trip to Turlock for the Tournament of Champions (TOC). Weather canceled a full day of games, but the Penguins played in 3 games; 2 against two top 5 teams in the CCAA conference, San Francisco State and Cal State San Bernardino. They split the day Friday, topping SF State (3-1), and just fell short against San Bernardino (7-8). The Pengs lost to Stanislaus State on Sunday in extra innings. This loss shook up their season as they are now treading the line of their winning season with a .515 record after the TOC. In spite of this, Dominican rises to No. 3 in the Pacwest as Chaminade drops to fifth after their series loss to Biola. Hilo also climbed up to the No. 4 spot after their sweep of the Academy of Art. Dominican looks to wrap up their season with only two series left against Biola and Azusa Pacific University. Play at the Penguin Field starts at 12:30 pm and 2pm on April 5th, 6th, 12th and 13th. Come out to cheer on your Lady Pengs, this is the closest they've been to clinching their postseason positions and make program history with the first winning season!
