

DO YOU LIKE MY SHIRT TODAY ?

Eye Of The Tiger

This shirt belongs to Madigne (Mo)uhamed, a high school student in New York. This shirt was given to him by his uncle in 2020 before quarantine hit. His uncle gave it to him as a gift while they were playing basketball, just something very casual. After a couple months, his uncle suddenly passed away through natural causes. Ever since, Madi has been inspired to play basketball everyday and improve on his game with his friends. He keeps in touch with his family more, and tries to inspire his relatives to play with him because of how strong the connection was with him and his uncle. Madi cherishes this shirt everyday, and everytime he plays
