Cookie Crumbl Weekly Update:

Welcome back to more deliciousness with Cookie Crumbl. This past weekend the Super Bowl was played on Sunday, and let's just say many people are happy with the results and some people aren't. On Sunday it was also a big day for Crumbl Cookies because it was the release of their new menu. Again, since it's February the month of love, they still have a cute theme on their menu. To start off they have Chocolate Covered Strawberry; A chocolate cookie & cream cookie smothered with fresh strawberry cream cheese frosting and a drizzle of semi-sweet chocolate. They also have Valentine's Original featuring M&M'S Candies; The tried-and-true cookie peppered with crunchy red, pink, and white M&M'S Candies. Also making a Valentines appearance Molten Lava ; A scrumptious dark chocolate cookie oozing with hot fudge and sprinkled with powdered sugar. And finally Nilla Bean Cupcake; A delicious cakey vanilla bean cookie with creamy vanilla cream cheese frosting and a dash of white sprinkles. And of course they have their original chocolate chip cookies. If you missed out on last week's menu, you have a chance to check this menu out at Crumble Cookie Shop at Vintage Oaks Shopping Center Novato CA.
