MK B2B Sonny Fodera At SVN West

Ghastly is an American DJ and electronic music producer celebrated for his dynamic and genre-blurring approach to the electronic dance music (EDM) scene. With a signature style that blends elements of dubstep, house, and future bass, Ghastly has gained recognition for his high-energy live performances and innovative productions. He first rose to prominence in the EDM world with tracks like "Lilith" and "Miami Connection," and he continues to captivate audiences with his unique sound and a charismatic stage presence that has made him a notable figure in the industry. He will be performing at Yolo Nightclub Friday November 10th from 10:00pm to 2:00am. Friday night will be the biggest night of the weekend, MK and Sonny Fodera will be going B2B at SVN West from 9:00pm to 2:00am. Sonny Fodera, hailing from Australia, is a prominent figure in the global house music scene. With his distinctive style and infectious grooves, he has gained widespread acclaim as both a DJ and producer. Sonny's music is characterized by its deep, soulful, and melodic elements, which have earned him a dedicated following.

MK is a renowned American DJ and producer recognized for his influential contributions to the electronic dance music (EDM) scene. With a career spanning several decades, MK has consistently produced chart-topping tracks and remixes, earning a reputation as

a pioneer of house music. His distinctive blend of soulful melodies and infectious beats has made him a favorite among clubgoers and festival attendees worldwide, solidifying his status as a respected figure in the dance music community. MK's innovative sound and enduring impact continue to shape the evolution of electronic music. This will be jam packed Friday so be sure to choose wisely, though neither will disappoint. To stay up to date with San Francisco's EDM nightlife, come back next week to the Dominican Beat.
