Welcome back to another edition of San Francisco entertainment, I hope everyone who went to Portola Music Festival had an amazing time in our city. San Francisco may not be as packed as last weekend's Portola Music Festival, but the city never sleeps. There's a couple big names coming to the city from all parts of the world. The weekend will have all kinds of different sounds across the downtown nightclubs. Friday October 6th, Tinlicker will be performing at Audio SF; the dutch duo will provide a night of progressive house music from 11:00pm to 2:00am. Another duo from Canada will also be performing at the Midway and you can expect a night of pop EDM and popular mainstream music from Loud Luxury. The opener for the night will be German house juggernaut Marten Høger, from 9pm to 11pm the floor will be his, from 11:00pm to 2:00am you'll be with the headliners. October 7th has two big names in the industry, UK duo Snakehips will be playing live at UC Theatre in Berkeley just right over the Bay Bridge. Look forward to a night of UK dance music and electropop in the college town of Berkeley from 9:00pm to 12:00am . The last big name of the weekend will be performing at an underground secret location who will be notifying ticket buyers the day of the show. CID the New York native will bring a night of tech house and pop dance to the secret location from 10:00pm to 3:00am. To stay up to date with San Francisco's EDM nightlife, come back next week to the Dominican Beat.
