The Final Goodbye To Cookie Crumbl Article

Sad to say that this is the last Cookie Crumbl Article this semester. It is very upsetting that it's over but that means this menu is extra special for me and for you. To start off they have Confetti Milkshake; A confetti sugar cookie rolled in rainbow sprinkles and topped with cake-flavored buttercream and a dollop of whipped cream. Secondly they have Galaxy Brownie; A brownie cookie smothered in a warm fudge glaze and sprinkled with rainbow candy bits. Thirdly they have Strawberry Cupcake; A vanilla cupcake cookie with a heavenly swirl of strawberry cream cheese frosting and a splash of white sprinkles. And finally they have Snickerdoodle; A classic vanilla sugar cookie rolled in a sparkly cinnamon sugar crust and Caramel Praline; A brown sugar cookie covered with a smooth buttery caramel topping and sprinkled with crunchy pecans. Cookie Crumbl has a feeling that it's the last article too because they started off their menu with a celebration, which this is since it's the last article. To buy these delicious cookies find your nearest Cookie Crumbl Shop. And visit their website to keep up with their weekly menu!
