Weekly Contributor: Dominican Men's Golf

Dominican Men's golf dive beaks first into the new season coming back from the PHC Invitational with a team and Individual victory. New transfer Daniel Marmorstein captures his first win in his college debut shooting an opening 64 and setting the course record. The PHC was also the first tournament for freshman Carter Degelman who shot 76-72 for a top ten finish in his first event. JJ Scott had a tougher first day but bounced back to get his first top 5 in a college event. The Men's golf team has been on a bit of cold streak for the past couple of years; starting the 2024-2025 season with a win could be a sneak peak of what's to come as they begin preparations for the Bishop Invitational at The Home Course in DuPont, Washington, beginning Thursday, September 26.
