## Cookie Crumbl Easter Edition

Happy Easter to everyone! It is a beautiful week for a gathering with your family and friends. Kids will BBQ while moms set the table. All the while, teenagers are chit chatting with cousins and the children anxiously awaited the easter egg hunt. It is the start of summer. What better way to make this week even better than sharing easter themed cookies by Cookie Crumbl. Starting off with their new delicious menu is their Strawberry Pretzel Pie; A buttery pie-inspired cookie rolled in pretzel pieces, adorned with whipped cream cheese topping, house-made strawberry jam, and more pretzel pieces for the perfect crunch. Second is Lemon Crinkle; A warm cake-y lemon cookie rolled in crunchy sugar crystals and sprinkled with fluffy powdered sugar. Also, there is Double Fudge Brownie; A thick brownie cookie topped with glossy chocolate glaze and freshly baked brownie bites. For easter themed cookies, we have Sugar (Candy Eggs); A fluffy sugar cookie topped with a swirl of vanilla frosting and festively crunchy candy eggs. And finally Carrot Cake; Two tiers of carrot cake mixed with warm spices, coconut, pineapple, and carrots, all layered with a light glaze and vanilla cream cheese frosting, then topped with chopped pecans. Very typical for easter themed cookies. If you want to try their delicious easter themed cookies, go now before they run out!
