Gotts Roadside: Where Every Stop is a Flavor Destination

# GOTT'S

With restaurants throughout Northern California, Gott's Roadside has become the go-to casual dining spot, offering a twist on traditional American cuisine. Gott's stands out from its competitors because of their use of fresh ingredients to ensure customers experience the crisp flavors in each order.

Gott's menu offers a variety of items, including burgers, sandwiches, salads, and sides. The menu also has fish tacos and numerous seasonal items for those looking for something other than a traditional meal. They even carry dessert items like milkshakes and organic soft serve to satisfy your sweet tooth. My favorite item on the menu is the Texas Avocado burger, which includes jack cheese, avocado, pico de gallo, mayo, and pickled jalapenos on an egg bun. The list of ingredients sounds overwhelming, but when combined with the burger, the experience is unlike any other. I recommend this burger to anyone looking to try something fresh and new.

If you are ever in Marin, Napa, Palo Alto, San Francisco, or Walnut Creek, stop by Gott's Roadside and try one of their fresh and delicious meals.
